PRESIDENTS REPORT

WEST WALLSEND WORKERS CLUB 2016 - 2017

Dear fellow Members

I would like to share my comments with you as a prelude to the Club's 2016 – 2017 Annual Report.

The Club received its certificate of licence to operate as a registered club on the 8th of August 1947, some 70 years ago. The members have every reason to be justly proud of their Club and its achievements.

I have been acting as President at the board meetings since the untimely death of President Bob Roulston in February 2017. I would like to thank CEO David Jackson, all my fellow directors and staff for their support during my short term in the role.

The Club has continued to contribute to community based projects during the term. These include various sporting bodies, West Wallsend High School, Plan It Youth program and the ANZAC Day ceremony.

It is pleasing to see the increase in support for the Club's restaurant since Reeds By The Creek have taken over.

In conclusion I wish to thank the members for their continued support and tolerance to ensure that the Club continues to prosper for many years to come.

Peter Dempsey
Senior Vice President
